CLEANSING SHAMPOO

UK:

Everyone needs a fresh start once in a while – including your hair. HH Simonsen Cleansing Shampoo will thoroughly cleanse your hair and scalp off natural fat, oils and built-up styling products. In other words: An effective reset.

HOW TO: Apply to damp hair. Massage into the hair and let it work 1-2 minutes, then rinse thoroughly. Always use a regular shampoo afterwards. Use 2-3 times a month as an extra thorough cleansing. Can also be used daily if you have normal or greasy hair.

DK:

Alle kan bruge en frisk start i ny og næ – også dit hår. HH Simonsen Cleansing Shampoo renser hår og hovedbund i dybden og fjerner olier, naturlige fedtstoffer og opbyggede rester af styling-produkter. Med andre ord: En effektiv nulstilling.

ANVENDELSE: Fordel i fugtigt hår og lad shampooen virke 1-2 minutter. Skyl herefter grundigt. Vask altid med en almindelig shampoo bagefter. Kan bruges 2-3 gange pr. måned som ekstra grundig vask – eller dagligt, hvis du har normalt til fedtet hår.
