

# Utopia Dryer

The exclusive Utopia Dryer has a powerful 2300-watt brushless motor, which makes for a super effective blow-dry, while the newest ionic technology leaves hair smooth, shiny and frizz-free. Weighing only 450 g, Utopia is easy to work with, and the ultra silent fan system takes your drying experience to a whole new level.

## UNIVERSAL SOFTSTYLER

Encourage natural volume. This Universal Softstyler is perfect for hairdressers – or anyone who wants the very best blow-drying experience. Its unique design makes blow-drying more effective and encourages beautiful and natural waves and volume. The softstyler fits most hairdryers.
