

Hair Cuddles

The extremely popular Hair Cuddles are innovative hair bands with a unique spiral shape. Thanks to the spiral design, Hair Cuddles are much more effective and comfortable to wear than traditional hair bands. They keep hair gently in place, prevent split ends and leave no marks.

HAIR CUDDLES TEXTILE

Hair Cuddles are also available in a soft textile edition. They look like traditional hair bands but are every bit as comfortable, gentle and effective as the original Hair Cuddles.
