

Envy Dryer

The ENVY hairdryer leaves your hair smoother, shinier and with less frizz than most hairdryers out there. Thanks to the high concentration of ionic molecules, ENVY gives you a smooth, salon-worthy finish. The motor weighs only 375 g but is super-effective, making for a short drying time and less breakage.

UNIVERSAL SOFTSTYLER

This Universal Softstyler is perfect for hairdressers – or anyone who wants the very best blow-drying experience. Its unique design makes blow-drying more effective and encourages beautiful and natural waves and volume. The softstyler fits most hairdryers.

- High concentration of ionic molecules
- Two heat and speed settings
- Three-metre pivot cord for full flexibility
- Weight of only 375 g
- Powerful motor
- Add the Universal Softstyler to enhance natural volume
- 2-year warranty
