

Midi Styler

HIGH-PERFORMANCE STYLING ON THE GO

The Midi Styler is small but mighty. A practical yet super effective styling tool that can easily fit into a handbag. It's light in weight but has all the high-tech components that make for an excellent styler, such as titanium coated plates with oils and tourmaline that protect hair and leaves it ultra smooth.

- Temperature range from 120-230° C
- Rapid heating
- Titanium Teflon-coating with oils and tourmaline for heat protection and a smooth finish
- 2,7-metre pivot cord for full flexibility
- Comes with a pouch
- 2-year warranty
