

Volume Iron

BOUNCE AND VOLUME MADE EASY

With this handy styling tool it's easy to add bounce while on the go. Designed like a crimper, the Midi Volume Iron is great for styling the inner layers of hair, lifting the roots for long-lasting volume. It's small in size and low in weight but features the same unique barrel construction as all of our stylers.

- Temperature range from 90-200° C
- Rapid heating
- Titanium Teflon-coating with oils and tourmaline for heat protection and a smooth finish
- Automatic sleep mode function after 90 min.
- 2,7-metre pivot cord for full flexibility
- Comes with a pouch
- 2-year warranty
